J.W. Marriott

The JW Marriott Nashville offers the ideal location in the heart of downtown, across the street from The Music City Convention Center. Nashville's newest luxury hotel, the sparkling JW Marriott Nashville, embodies the vibrant soul of the city with 533 perfectly appointed guest rooms and suites, a trio of stylish new restaurants, including award-winning Bourbon Steak by Michael Mina, a world-class Spa by JW and a collection of contemporary art that pays homage to the city's musical history. A luxurious rooftop pool and at one of the city's highest elevation points, the modern, 33-story glass tower offers stunning views from every vantage point and truly makes its mark in the Nashville skyline.

Welcome to Nashville Luncheon

We will arrive in Nashville just in time to join your travelling companions at the Bavarian Bierhaus and enjoy an authentic Bavarian experience. The restaurant mimics the look of a large Munich Bierhall. The staff dressed in lederhosen and dimdls will be your tour guides as you take a vacation to Bavaria for a couple hours. The Bavarian Bierhaus wouldn't be a real Bavarian Bierhall without traditional Bavarian music. Traditional German musicians and singers flock to the Bavarian Bierhaus from around the globe. The menu features traditional fare that one would expect to see throughout Bavaria. So, whether you are a seasoned traveler to Bavaria or have never left the States, you will have the same experience at the Bavarian Bierhaus as you would have at any of the many dozens of Bierhalls across Bavaria. You may not know that Germantown is a community within Nashville.

Aleppo Banquet

An Aleppo Banquet will be held on Monday, July 1, 2019 at Margaritaville. A 6:00 p.m. social will be followed by dinner at 7:00 p.m. Margaritaville is set in a restored historical building, Margaritaville's private event spaces are loaded with character and require no additional decor to set the scene for your Nashville Event. Margaritaville is perfectly positioned in the heart of downtown Nashville on Honky Tonk Row, steps from The Music City Convention Center, Bridgestone Arena and the Ryman Auditorium. All the elements of an authentic Nashville experience come together at Margaritaville: vintage atmosphere, great southern food, live music and cutting-edge technology.

Farewell to Nashville Luncheon/Cruise

Join us aboard the General Jackson Riverboat and experience Nashville as it can best be seen from the beautiful Cumberland River. While "rollin' down the river," you'll enjoy stunning views, a delicious meal freshly prepared by the General Jackson Chefs, and toe-tapping entertainment in the two-story Victorian Theater in the center of the boat. One of the largest showboats ever built, the grand General Jackson is an elegant triumph of American ingenuity. With its elegant lacy filigree and stately design, the boat is reminiscent of the opulence of the American Victorian era.

Air passengers canceling on or after prior to May 29, 2019, will be subject to a \$50.00 per person airline cancellation penalty. This event will **SELL OUT**. Please send your deposit as soon as possible to avoid disappointment. The Imperial Session in Nashville will certainly be a most wonderful week of Shrine activity. Please join Linda and me together with the Nobility and their Ladies, or significant other, as we enjoy what is available in Nashville, Tennessee and the surrounding areas.
